# *ConMas i-Reporter*
## Certificate of Maintenance Support

This is a certificate of annual maintenance support that you contracted in order to use ConMas i-Reporter software more securely. With the annual maintenance support, we will provide the manuals, response to your inquiries and problems, acceptance of request functions, and provision of free version upgrades of software through ConMas i-Reporter Support Web. For the details, please refer to the "ConMas i-Reporter Annual Maintenance Support".
